In celebration of National Poetry Month, local poets whose work appears in the *San Diego Poetry Annual* will read their poems and briefly discuss their work.

The *San Diego Poetry Annual* is an outstanding collection of works by San Diego poets published by San Diego novelist William Harry Harding. The 2013-14 edition features 158 poets and 205 of the best poems from every corner of the greater San Diego region. A companion volume, *Marca Frontera*, contains 49 bilingual poems from 71 poets and translators.

Curran Jeffery, who organized this event, was born in 1947, graduated from Illinois State, and has spent 40 years making poems in Chicago, New Mexico, and San Diego. For the past several years he has hosted Sunday Sontage at Bluestocking Books in Hillcrest. His collection of poetry, *Holding Hands with Reality*, is available as an eBook at Amazon.com.
